Francisco Mantecón International Poster Design Competition - Call for Entries

26th June 2009

Terras Gauda is inviting graphic designers and design students from all over the world to take part in their annual poster design competition, now in its 9th year.

The annual poster competition began in 2001 as a tribute to the artist Francisco Mantecón, who was responsible for designing the corporate image and artwork for Bodegas Terras Gauda, a Spanish based wine company.

Entrants can base their entries on a theme of their choice, but the concept should relate to white wines of the Albarino variety: Terras Gauda and Abadia de San Campio wines. Credit will be given for creativity and incorporation of the company's logo into the design. The winning entry will form the basis of the company's advertising campaign for the next year.

First prize wins 10,000 euros, with two runners-up receiving 2,000 euros each.

Entries close at 6pm (Spanish time), on 30 September 2009.
