The International Biennial Poster Design Terras Gauda – Francisco Mantecón Competition is celebrating its 14th edition this year, in an event that has established itself since it began in 2002 as one of the most prestigious among the art community on five continents.

More than **17,000 posters from 96 countries** around the world have participated in the thirteen previous editions, including everywhere from Italy, Russia, China, India, Canada and Mexico to Mauritius, New Zealand and Barbados, among others.

The Galician Tourism Board is reinforcing its partnership with the International Biennial Poster Design Terras Gauda through the creation of a closed binding competition in which only the finalists and award winners of this 14th edition will participate.

The aim of this competition is to promote wine tourism at wineries in the five Galician designations of origin: Monterrei, O Ribeiro, Rías Baixas, Ribeira Sacra and Valdeorras, associating the image with a consolidated cultural initiative in the creative community on five continents.

Terras Gauda Wineries will award €16,000 to the winners, with €10,000 going to the 1st prize, €2,000 to the 1st Runner-up, 2nd Runner-up and Honorable Mention, respectively.
